v.

Jason michael Lüdke  
aka: muhammad Abdun-Naasir

Case No.: 16-CR-175

Dear Hon. U.S. Dist. Judge L. Adelman:

I am writing you about the continuing "mistreatment" upon me as a federal prisoner at this facility (milw County Jail)...

I, in the past, wrote to the U.S. Marshals Service office, with no recognition on this.

① I am a "muslim" of the Islamic Faith, and feel I am being abused, and harassed here due to my Islamic Faith, and my High Profile federal charges.

② \*(As I did nothing wrong, and was put in punitive solitary confinement from December 2017 till February 2018, with no Due process

hearing, no notice given to me, and no reason provided to me!)

③ I am 'denied' access to a "Law Library" here, so I can research my pending case, and work to prepare a defense for myself.

(As a muslim, we don't "blindly" follow people, so I don't trust these appointed Attorneys; and feel I have a constitutional right to Law Library to prepare my case!)

④ I am routinely neglected, ignored and denied to view/work on my Federal case 'Discovery' cd disks in this case.

\* (Note = I am still being neglected, ignored and denied to view pieces of my Discovery (i.e., videos posted online, articles - files shared, links) by these currently appointed Attorneys on this case!)

Your Honor,

⑤

In the past; I was in "Dodge Jail in Juneau WI;" under Federal Custody; and was under much abuse, harassment and discrimination by staff there; and my religious freedom rights were denied there \*(as I was denied to wear my "muslim-kufi cap"), and

as a "muslim male", it is "obligatory and mandatory" for me to protect my chastity and modesty and emulate the Prophet Muhammad (peace be upon him) and to wear my "kufi cap" at all times. \*(Just as a muslim woman is obligated to wear the Hijaab; a muslim man must keep his head covered [kufi cap]).

⑥ So, please don't send me back to Dodge Co. Jail (Juneau) Federal U.S. Marshals custody.

Your Honor,

⑦ I am lastly, not being provided my mental health medications at this facility!

⑧ While at "Kenosha Co. Jail" under federal custody; I never had any problems, Your Honor; and I was receiving my proper medical care and mental health treatment!

⑨ I am literally not being given proper (or any) - medical care and mental health treatment

at this milw. Co. Jail,

So, Your Honor,

⑩

I humbly and respectfully ask you to refer this letter to the U.S. marshals Service; and request can I please be moved and held at "Kenosha Co. Jail" as federal inmates normally held at!

\* (Note = I've never had problems at Kenosha Jail; and I can receive medical care, mental health care, use Law Library; be able to freely look at - view my Discovery cd disks; and lastly, I would be granted my muslim religious freedom rights - I'd be allowed my "kufi cap", allowed weekly Friday Jum'ah congregational prayers; a muslim chaplain works there and can help me with my spiritual counseling).

② Thank you for your time,  
Your Honor, and I respectfully  
ask, can I be moved down  
to "Kenosha Co. Jail" where  
us federal inmates normally all  
held.

Thank you!

I declare under the penalty of perjury  
that everything contained herein  
is true and correct.

executed at Milwaukee, Wisconsin  
this 29th day of July, 2018.

Respectfully,

Muhammad A-Naasir  
(aka: Jason M. Ludke)  
Defendant,

Jason M. Ludke
